

THE APRO EDUCATION FOUNDATION'S

SOCIETY FOR TOMORROW

BUILDING A BRIGHTER FUTURE

For almost a decade, APRO members have contributed significantly to the Education Foundation's Scholarship Fund, which so far has awarded \$388,000 to help 125 students associated with the RTO industry pursue a college degree. This year, the Education Foundation introduces **APRO's Society for Tomorrow**, an initiative to sustain the scholarship fund indefinitely through annual, ongoing commitments from APRO members. By joining the Society for Tomorrow, your annual donation helps ensure that the program thrives, nurturing even more academic pursuits for years to come and building a brighter future. Please join us! The annual contribution levels are suggested at right.

Sign me up for the Society! I wish to contribute at the following level:
