

RTO Employee's Disaster Relief Fund A P P L I C A T I O N

In 2005, members of the Association of Progressive Rental Organizations contributed more than \$190,000 to help rent-to-own employees get back on their feet after the devastation caused by hurricanes Katrina and Rita.

Unfortunately, natural disasters have become all too common. APRO's membership understands that a quick response is vital and we must be ready to help RTO employees at any given moment. Since 2005, APRO members have continued their generous donations to the RTO Employee Disaster Relief Fund allowing us to offer support to our members in need.

If your company is an APRO member and your employee(s) have been affected by a recent natural disaster, they may qualify for assistance. Please fill out the following information and fax to 512/794-0097, or e-mail to Richard May, rmay@rtohq.org.
